

Minutes - Stormwater (SubGroup) Meeting – February 12, 2020
Bartley Building, 4 N. Lowell Rd, Windham, NH at 11 am

Present:

Dave Sullivan, Dennis Senibaldi, Eric DeLong, IT Director

Group reviewed GPS'ing the location of all Catch Basins. Dennis has two of his employees going across town to GPS the locations using the Ipad tablet and GPS device. He indicated that they should be completed with the catch basins by end of April and then will move on to locating the swales and updating any outfalls that may have been missed early this year.

Meeting Adjourned at 11:30 A.M.

Respectfully Submitted:

David Sullivan
Town Administrator
